Opening day of 2021 Session – no hearings or Work Sessions scheduled. Both House and Senate will convene and adopt rules and procedures and new Members will be sworn in.

Tuesday, January 12, 2021

Senate Housing & Local Government, 8 a.m. – Hearing on **SB 5032**, regarding reauthorization of and improvements to public works contracting procedures; and **SB 5042** concerning the effective date of certain actions taken under the Growth Management Act. *MONITOR.*

House Environment & Energy, 8 a.m. – Hearing on **HB 1053**, delaying the implementation of restrictions on single-use plastic bags used as carry-out bags at grocery stores; and **HB 1057**, clarifying the meaning of the term "enjoyment of life and property" within the Clean Air Act. *MONITOR 1053; Recommend WRPA sign in with SUPPORT on HB 1057 being brought forward on behalf of the City of Kenmore. Several of our agencies indicated an interest in supporting. The legislation amends Clean Air Act definitions of “air pollutant” and amends state law as to who may register a complaint with Clean Air agencies regarding properties that emit odors and interfere with the "enjoyment of life and property" -- including a public park, public recreational facility or trail, or publicly owned commons of any municipal government or state agency.*

WWRC has contacted WRPA about panel testifiers on the Capital Budget – specifically around WWRP, YAF, and ALEA. Legislative Committee should discuss.*

Senate Housing & Local Government, 10:30 a.m. – Hearing on **SB 5012**, authorizing local governments to impose taxes on short-term rentals for the funding of essential affordable housing programs; and **SB 5033**, limiting a current property tax exemption on housing construction to improvements to single-family dwellings for the construction of Accessory Dwelling Units (ADUs). *MONITOR both at this time.*
