Get Involved & Volunteer!

WRPA is membership driven – we achieve only what we ourselves commit to do. By sharing your energy and expertise you will make WRPA an even more effective professional resource. In fact, without you, we would not be able to offer any programs!

As a volunteer, you will help us plan and implement projects, meet new members from other park & recreations, have some fun and sometimes learn inside information. WRPA has implemented **new committees** that are currently looking to grow in size!

Opportunities to Volunteer
