DASH Platform

RECREATIONAL MANAGEMENT SOFTWARE

INCREASE REVENUE, DECREASE COST!

With DASH Platform, your facility can offer multiple revenue-generating programs without skipping a beat. DASH Platform is so powerful that it can do much of the work and save much of the cost of multiple departments, including sales, marketing, operations, accounting, customer service, and human resources. Let DASH Platform handle day-to-day functions, while you focus on the bigger picture - your business. And because our software is designed, developed and tested by recreational organizations in collaboration with industry leaders, DASH Platform offers the reliability you need with the features you want, including:

Operations

DASH Platform lets you achieve significant operational efficiencies. DASH Platform can:

- Manage resource scheduling of rentals, blocks, classes, camps & games,
- Support customer/member databases, including family accounts, and
- Provide customer online accounts with access to schedules, standings, registration and account balance.

Marketing

With DASH Platform you can:

- Run targeted, templated email campaigns,
- Export email lists directly to Constant Contact, and
- Pull call lists by season, league, team, or class roster.

Financial Reporting

With DASH Platform you can:

- Auto-export sales figures to Quickbooks & Intuit,
- Perform global reports by facility or business unit, and
- Run transaction reports by employee and customer.

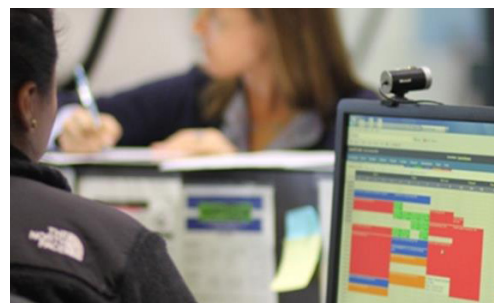

Program Administration

DASH Platform provides:

- Online registration and payment for membership and programs,
- Player ID cards printed with or without photos, and
- Kiosk mode for registrations and waivers.

"Making the move to DASH Platform has been the best thing our company has ever done! DASH has taken our business to the next level, from the dinosaur era to the 21st century."

Michael Richardson, Soccer City Palatine
